## Welcome to BADEN-BADEN

### You can count on us!

For 100 years, youth hostels have embodied values that make life richer. Hostels are for all those who go through life open-mindedly, who want to experience togetherness and who actively approach others, who are courageous, even adventurous at times. Because young people don't need a corset if they've got a backbone of their own. The only time they twist and bend is for sports or with laughter. They are people who live a life worth living, worth envying, and they make more of it.

### Portrait

Metropolis Baden-Baden. Multicultural and with unbelievable possibilities. World-famous for its hot pools, culture- and art programmes. The city's character is shaped by a Mediterranean joy of life. At the Festspielhaus, in the spa garden and at the racecourse.

Or simply enjoy nature? Baden-Baden is gateway to the black forest. Put your walking boots on and climb the Battered rock! Or do you prefer to swim? During the summer you are lured by the Hardbergbad next door. What else could you ask for? You must have seen this city.

### Location & Directions

The hostel is situated in the west of Baden-Baden and offers a view over parts of the city and into the Rhine plain.

### Enjoy your meal

The greater the variety, the more yummy it is. We are happy to satisfy individual guest wishes. According to prior agreement, we are prepared to adjust to vegetarian and religious conditioned food and offer special meals for sportsmen and seminar attendees.

For day trips we are happy to provide you with a lunch package and a hot dinner in the evening. For reasons of environmental protection, we kindly ask you to bring a appropriate lunch box for the packed lunch.
